

MONARC

WALL PANEL SOLUTIONS

TM

Calacatta Gold

TRANSFORMING INTERIOR SPACES.

State of the Art Technology • High Quality Appearance • Easy Installation • Added Value • Low Maintenance

A specialized, proprietary manufacturing process allows for the production of high quality finishes on MONARC composite wall panels for use in the design of bath and shower enclosures, kitchens, living rooms, and other interior spaces. The premium properties of MONARC ensure an extremely flat, light weight, waterproof panel that offers easy installation and delivers a striking visual appearance inspired by natural elements such as wood, marble, tile, and other variations of stone and metal.

FEATURES & BENEFITS

High Quality Appearance

State of the art technology allows for the transfer of high resolution digital images to the premium surface of MONARC to create a panel that offers the appearance of authentic materials.

Easy Installation

The thin panel of MONARC doesn't require any trim work or grouting, and provides a significant weight reduction allowing for easier transport, handling and installation. It can also be easily cut & fabricated.

Low Maintenance

MONARC offers exceptional dent resistance & flatness, and can be cleaned with common household cleaners. Our high quality finishes are resistant to fading and surface damage for easy maintenance.*

Added Value

MONARC provides the natural look of stone, wood, tile and metal for a fraction of the cost, weight and maintenance.

Material Composition

Two sheets of premium .012" aluminum bonded to a fire retardant mineral core to create a rigid and durable aluminum composite panel specially designed for interior applications.

Fire & Electrical Rated

Self-Extinguishing; Class A fire rating (ASTM E-84).
UL 94V-0.

Finishes

Please refer to our website for the most complete listing of available finishes

THE TILE LOOK

A neutral and traditional look, this style offers the classic marble tile appearance without the time consuming process of cutting, installing and grouting individual tiles.

THE STONE LOOK

These finishes recreate the classic beauty and sophistication of natural stone slab, and come with the added durability and easy maintenance of MONARC wall panels.

THE WOOD LOOK

Embracing the true character of wood, these distressed finishes combine the beauty and tranquility of the natural world with the scratch resistance and waterproof benefits of MONARC wall panels.

Rustic Umber

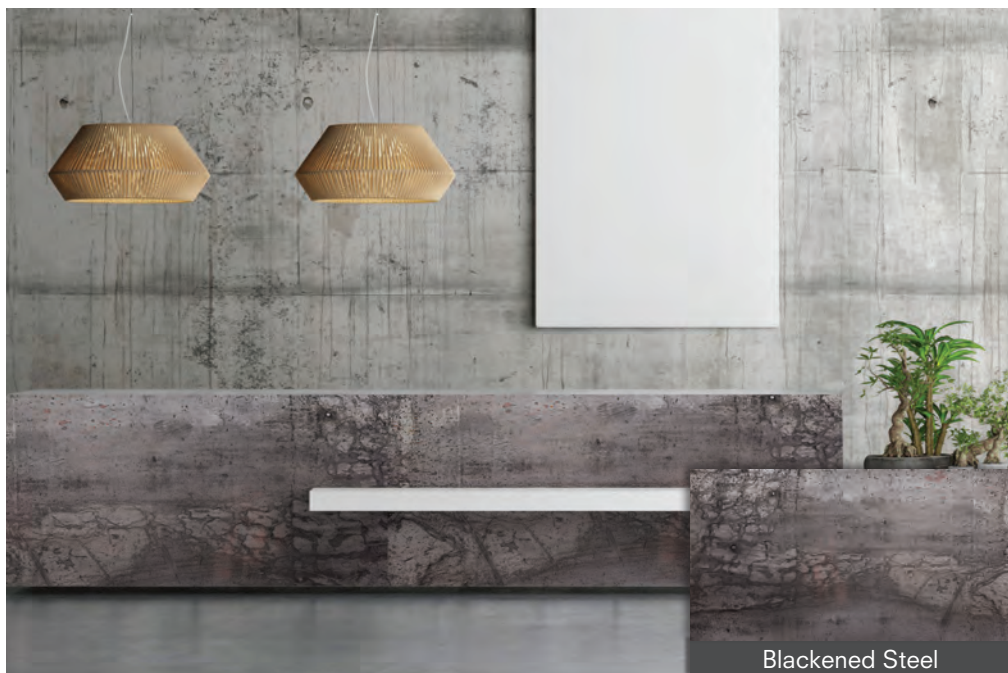

Worn Plank

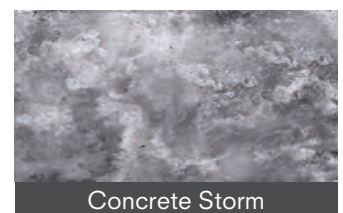

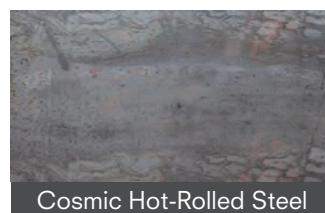

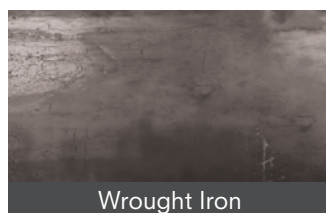

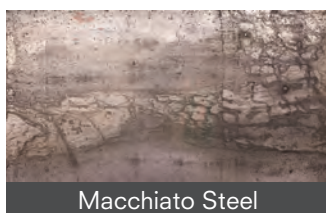

Rustic Graphite

THE URBAN-INDUSTRIAL LOOK

Inspired by raw materials from the industrial age and the evolution of urban landscapes, these finishes combine color, luster and depth to truly transform any interior space. From an abstract accent wall to a contemporary kitchen backsplash, they offer a chic and modern appearance that's easy to install and maintain at a fraction of the cost of conventional materials.
